HELEN SWARTZ, Individually,

Plaintiff,

v.

Case No.

STOUT ROAD HOTEL DEVELOPMENT,
L.L.C, a Pennsylvania Limited Liability
Company,

Defendant.

COMPLAINT

Plaintiff, HELEN SWARTZ, Individually, on her behalf and on behalf of all other mobility-impaired individuals similarly-situated, (sometimes referred to as “Plaintiff”), hereby sues the Defendant, STOUT ROAD HOTEL DEVELOPMENT, L.L.C., a Pennsylvania Limited Liability Company (sometimes referred to as “Defendant”) for Injunctive Relief, and attorney’s fees, litigation expenses, and costs pursuant to the Americans with Disabilities Act, 42 USC § 12181 et seq. (“ADA”).

1. Plaintiff, HELEN SWARTZ, resides in Miami Beach, Florida, in the County of Miami-Dade.

2. Defendant’s property, The Hilton Philadelphia City Avenue Hotel, is located at 4200 City Avenue, Philadelphia, PA, in the County of Philadelphia.

3. Venue is properly located in the Eastern District of Pennsylvania because venue lies in the judicial district of the property situs. The Defendant’s property is located in and does business within this judicial district.

4. Pursuant to 28 USC § 1331 and 28 USC § 1343, this Court has been given original jurisdiction over actions which arise from the Defendant's violations of Title III of the Americans with Disabilities Act, 42 USC § 12181 et seq. *See, also*, 28 USC § 2201 and § 2202.

5. Plaintiff, HELEN SWARTZ is a Florida resident, is sui juris, has multiple sclerosis and relies on the use of an electric scooter to ambulate, as she is mobility impaired. She qualifies as a person with disabilities, as defined by the Americans with Disabilities Act.

Helen Swartz was born and raised in New York City and moved to the Philadelphia area in 1978 to attend graduate school. After completion of her studies, she founded a business and resided in the area until 2011. She was active in the business community and has many long-standing relationships that she has maintained throughout the years. She also had two children during those years, through which she knew many people.

Helen Swartz visited the property which forms the basis of this lawsuit from November 1 through November 2, 2019, and has reservations to return to the property on June 15 through June 16, 2020, to attend a family reunion with her family and her husband's family, and also to avail herself of the goods and services offered to the public at the property, if the facilities are fully accessible and the barriers to access have been corrected. The Plaintiff has encountered architectural barriers at the subject property, which have impaired her use of the facilities and the amenities offered, and have endangered her safety at the facilities and her ability to access the facilities the property has to offer and use the restrooms.

6. The Plaintiff has encountered architectural barriers at the subject property, which are enumerated in paragraph 10. The barriers to access at the property have endangered her safety, and adversely affected her ability to use the facilities.

4. Pursuant to 28 USC § 1331 and 28 USC § 1343, this Court has been given original jurisdiction over actions which arise from the Defendant's violations of Title III of the Americans with Disabilities Act, 42 USC § 12181 et seq. *See, also*, 28 USC § 2201 and § 2202.

5. Plaintiff, HELEN SWARTZ is a Florida resident, is sui juris, has multiple sclerosis and relies on the use of an electric scooter to ambulate, as she is mobility impaired. She qualifies as a person with disabilities, as defined by the Americans with Disabilities Act.

Helen Swartz was born and raised in New York City and moved to the Philadelphia area in 1978 to attend graduate school. After completion of her studies, she founded a business and resided in the area until 2011. She was active in the business community and has many long-standing relationships that she has maintained throughout the years. She also had two children during those years, through which she knew many people.

Helen Swartz visited the property which forms the basis of this lawsuit from November 1 through November 2, 2019, and has reservations to return to the property on June 15 through June 16, 2020, to spend time with her family, and also to avail herself of the goods and services offered to the public at the property, if the facilities are fully accessible and the barriers to access have been corrected. The Plaintiff has encountered architectural barriers at the subject property, which have impaired her use of the facilities and the amenities offered, and have endangered her safety at the facilities and her ability to access the facilities the property has to offer and use the restrooms.

6. The Plaintiff has encountered architectural barriers at the subject property, which are enumerated in paragraph 10. The barriers to access at the property have endangered her safety, and adversely affected her ability to use the facilities.

7. Defendant owns, leases, leases to, or operates a place of public accommodation as defined by the ADA and the regulations implementing the ADA, 28 CFR 36.201(a) and 36.104. 8. Plaintiff has reasonable grounds to believe that she will continue to be subjected to discrimination in violation of the ADA by the Defendant. HELEN SWARTZ desires to visit The Hilton Philadelphia City Avenue Hotel not only to avail herself of the goods and services available at the property but to assure herself that this property is in compliance with the ADA so that she and others similarly-situated will have full and equal enjoyment of the property without fear of discrimination.

9. The Defendant has discriminated against the individual Plaintiff by denying her access to, and full and equal enjoyment of, the goods, services, facilities, privileges, advantages and/or accommodations of the hotel, as prohibited by 42 USC § 12182 et seq.

10. The Defendant has discriminated, and is continuing to discriminate, against the Plaintiff in violation of the ADA by failing to, inter alia, have accessible facilities by January 26, 1992 (or January 26, 1993, if Defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 12. The discriminatory violations described in Paragraph 10 are not an exclusive list of the Defendant's ADA violations. Plaintiff requires the inspection of the Defendant's place of public accommodation in order to photograph and measure all of the discriminatory acts violating the ADA and all of the barriers to access. The individual Plaintiff, and all other individuals similarly-situated, have been denied access to, and have been denied the benefits of services, programs and activities of the Defendant's facilities, and have otherwise been discriminated against and damaged by the Defendant because of the Defendant's ADA violations, as set forth above. The individual Plaintiff, and all others similarly-situated will continue to suffer such discrimination, injury and damage without the immediate relief provided by the ADA as requested herein. In order to remedy this discriminatory situation, the Plaintiff requires an inspection of the Defendant's place of public accommodation in order to determine all of the areas of non-compliance with the Americans with Disabilities Act.

13. Defendant have discriminated against the individual Plaintiff by denying her access to full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of its place of public accommodation or commercial facility in violation of 42 USC § 12181 *et seq.* and 28 CFR. 36.302 *et seq.* Furthermore, the Defendant continue to discriminate against the Plaintiff, and all those similarly-situated by failing to make reasonable modifications in policies, practices or procedures, when such modifications are necessary to afford all offered goods, services, facilities, privileges, advantages or accommodations to individuals with disabilities; and by failing to take such efforts that may be necessary to ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently than other individuals because of the absence of auxiliary aids and services.

14. Plaintiff is without adequate remedy at law and is suffering irreparable harm. Considering the balance of hardships between the Plaintiff and Defendant, a remedy in equity is warranted. Furthermore, the public interest would not be disserved by a permanent injunction. Plaintiff has retained the undersigned counsel and is entitled to recover attorney's fees, costs and litigation expenses from the Defendant pursuant to 42 USC § 12205 and 28 CFR 36.505.

15. Defendant is required to remove the existing architectural barriers to the physically disabled, when such removal is readily achievable for its place of public accommodation that has existed prior to January 26, 1992, 28 CFR 36.304(a); in the alternative, if there has been an alteration to Defendant's place of public accommodation since January 26, 1992, then the Defendant is required to ensure to the maximum extent feasible, that the altered portions of the facility are readily accessible to and useable by individuals with disabilities, including individuals who use walkers and wheelchairs, 28 CFR 36.402; and finally, if the

Defendant's facility is one which was designed and constructed for first occupancy subsequent to January 26, 1993, as defined in 28 CFR 36.401, then the Defendant's facility must be readily accessible to and useable by individuals with disabilities as defined by the ADA.

16. Notice to Defendant is not required as a result of the Defendant's failure to cure the violations by January 26, 1992 (or January 26, 1993, if Defendant have 10 or fewer employees and gross receipts of \$500,000 or less). All other conditions precedent have been met by Plaintiff or waived by the Defendant.

17. Pursuant to 42 USC § 12188, this Court is provided with authority to grant Plaintiff Injunctive Relief, including an order to require the Defendant to alter the The Hilton Philadelphia City Avenue Hotel to make those facilities readily accessible and useable to the Plaintiff and all other persons with disabilities as defined by the ADA; or by closing the facility until such time as the Defendant cure its violations of the ADA. The Order shall further require the Defendant to maintain the required assessable features on an ongoing basis.

WHEREFORE, Plaintiff respectfully requests:

a. The Court issue a Declaratory Judgment that determines that the Defendant at the commencement of the subject lawsuit are in violation of Title III of the Americans with Disabilities Act, 42 USC § 12181 et seq.

b. Injunctive relief against the Defendant including an order to make all readily achievable alterations to the facility; or to make such facility readily accessible to and useable by individuals with disabilities to the extent required by the ADA; and to require the Defendant to make reasonable modifications in policies, practices or procedures, when such modifications are necessary to afford all offered goods, services,

facilities, privileges, advantages or accommodations to individuals with disabilities; and by failing to take such steps that may be necessary to ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently than other individuals because of the absence of auxiliary aids and services.

c. An award of attorney's fees, costs and litigation expenses pursuant to 42 USC § 12205.

d. Such other relief as the Court deems just and proper, and/or is allowable under Title III of the Americans with Disabilities Act.
